# Brief introduction

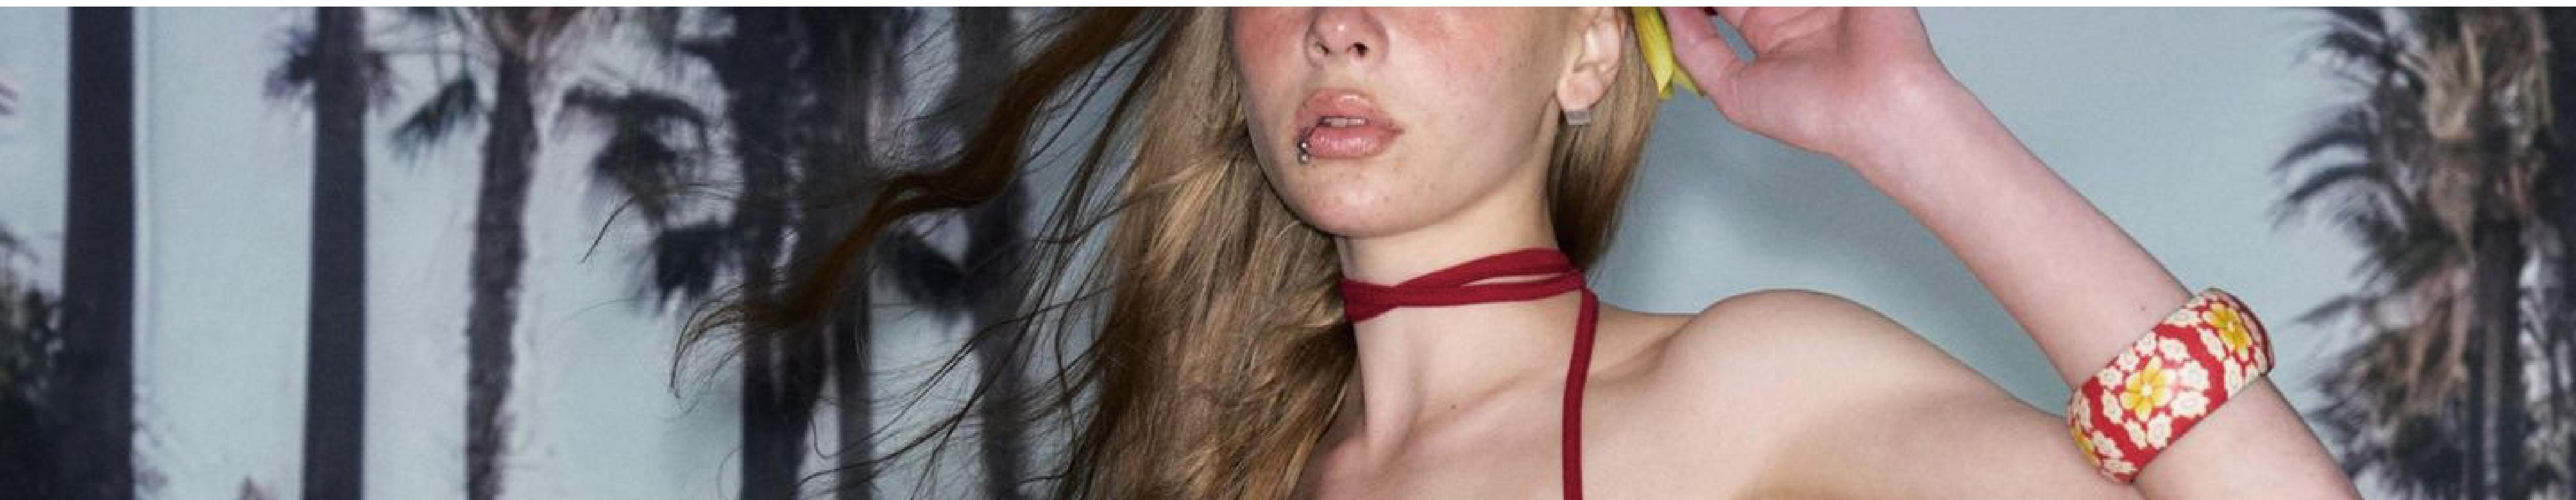

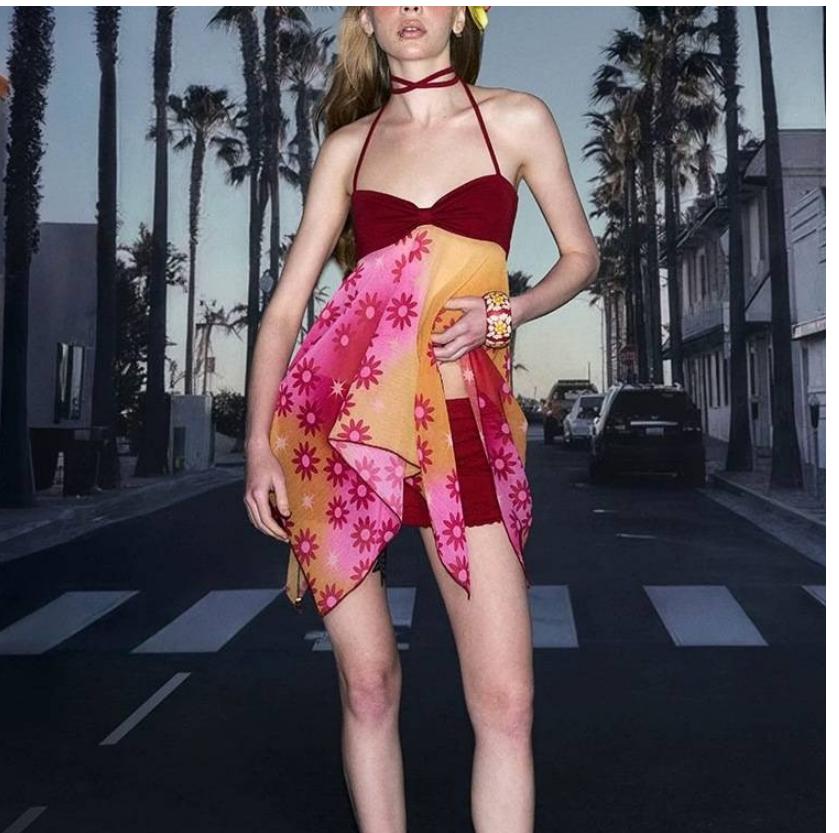

German Drop was founded in 2022 and has so far opened a German warehouse and a US warehouse for localized logistics and distribution. German Drop is dedicated to providing e-commerce merchants with best-in-class supply chain solutions. We offer a wide range of e-commerce services including sourcing, warehousing, distribution, after-sales support, customize branding, POD, large furniture transportation and more. By leveraging a strong logistics framework and information technology expertise, we specialize in seamlessly integrating global resources to provide unparalleled convenience and transparency to our customers.
